

Join Us for the Q2 Virtual Townhall

Dear Team,

I am pleased to share that we delivered a strong performance in Q2, reflecting the dedication, collaboration, and resilience of our teams. As we celebrate our achievements and look ahead to the opportunities before us, I would like to invite you to our upcoming virtual townhall.

This will be an opportunity to review our Q2 business performance, discuss strategic priorities for the coming quarter, hear important business updates, and engage in an open Q&A session.

I encourage you to come prepared with your questions, ideas, and insights. Your participation plays an important role in shaping our continued success.

Let's come together to celebrate what we have achieved, recognize the contributions of our teams, and align on the road ahead.

Regards,
Jason
